supposed to turn left on Wilson blvd.
u2: Oh, I 'm sorry. Did you say 1323 wilson.
u3: No 3023. It is ok though, You don't have to take me there, I can

u1: Excuse me, but I think you 've made a wrong turn. You were

walk from here . $x\;u4(A)\text{: Ok. your house number is }1323\text{ , right ? I'll take you there.}$

x u4(B): Ok. I will take you to your house, wilson 4023. x u4(C): Sorry. I thought your house number is 3023, but it 's 1323, right?

 $\sqrt{u4(D)}$: Sorry. I will take you to your house, wilson 3023.

predict answer: [C A B D]
